

Project 2 Report

2048

Student Name: 郭育成

Student ID: F74036344

Introduction

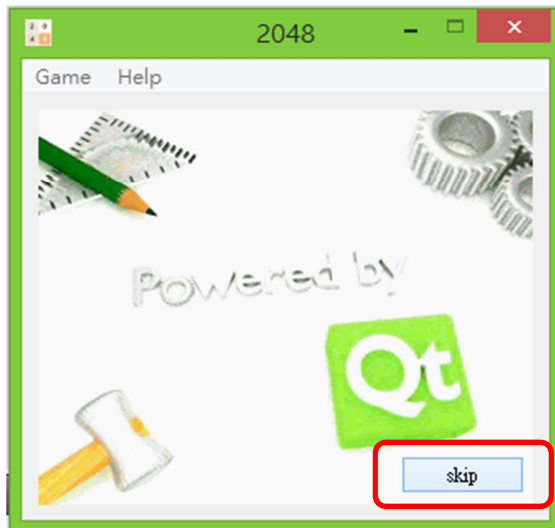

Features of this 2048:

1. Tile movements has **animation**.
2. The game has **sound effects**.
3. The game has **multiple modes** to select. Play the game and see more properties of the game! ^.<

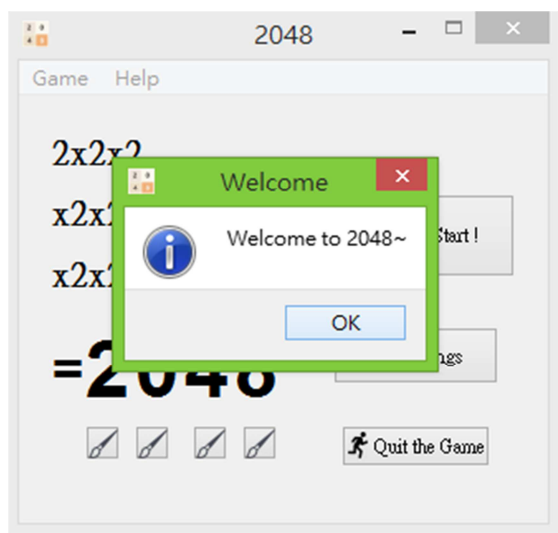

Screen Shots

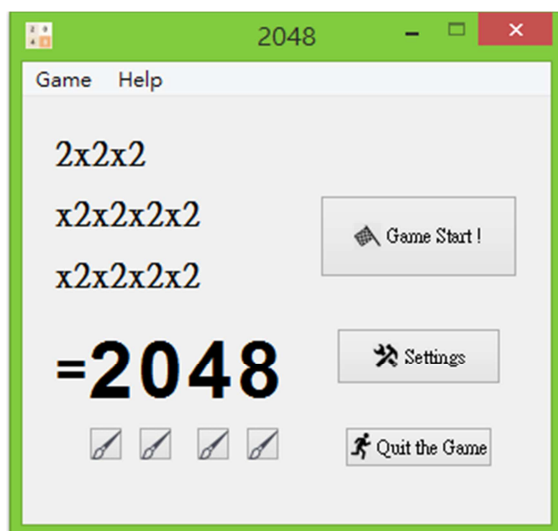

When you enter the game, you would see the welcome animation first

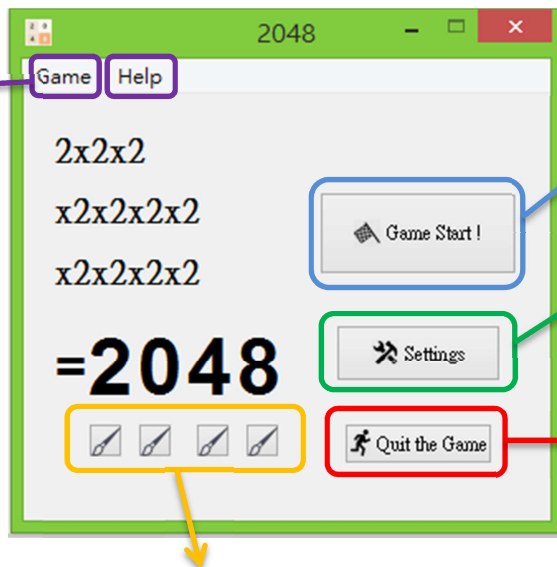

You can click the “**skip**” button in the bottom right corner to skip the animation.

When the welcome animation is over, you will see a welcome message next. Just click “**OK**”.

And now you are in the Menu.

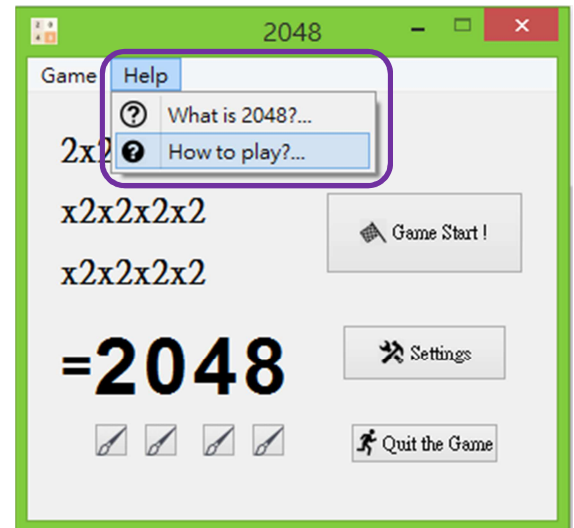

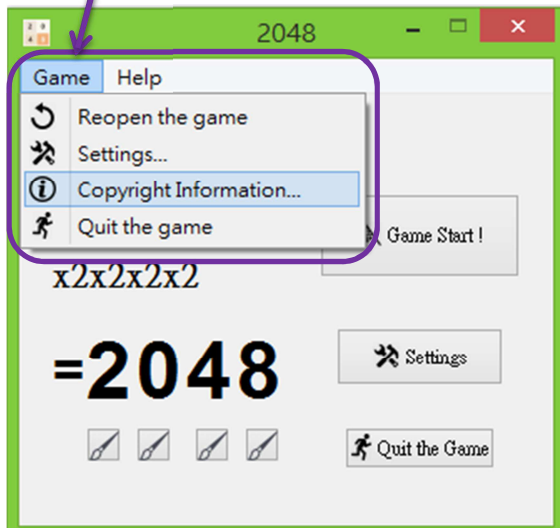

Click "Game Start!" to start the game.

Click "Settings" to change the settings of the game.

Click "Quit the Game" or "X" in the top right corner to quit the game.

These buttons..... just press and expect what would happen XD~

Settings

~~~Parameter Settings~~~

Select the GOAL:

☐ 64      ☐ 128  
☐ 256      ☐ 512  
☐ 1024      ☒ 2048  
☐ 4096      ☐ 4(XD)

Select the amount of tiles generated in each step:

1

Select the board size

4x4

☐ Time limitations

Time(in second)(10s~3600s)

600

~~~Environment Settings~~~

Select the color of tiles

☒ Random
☐ White ☐ Red ☐ Yellow
☐ Black ☐ Blue ☐ Purple
☐ Green

Ok Cancel

You can change the color of tiles as you wish. The color of tiles is random by default.

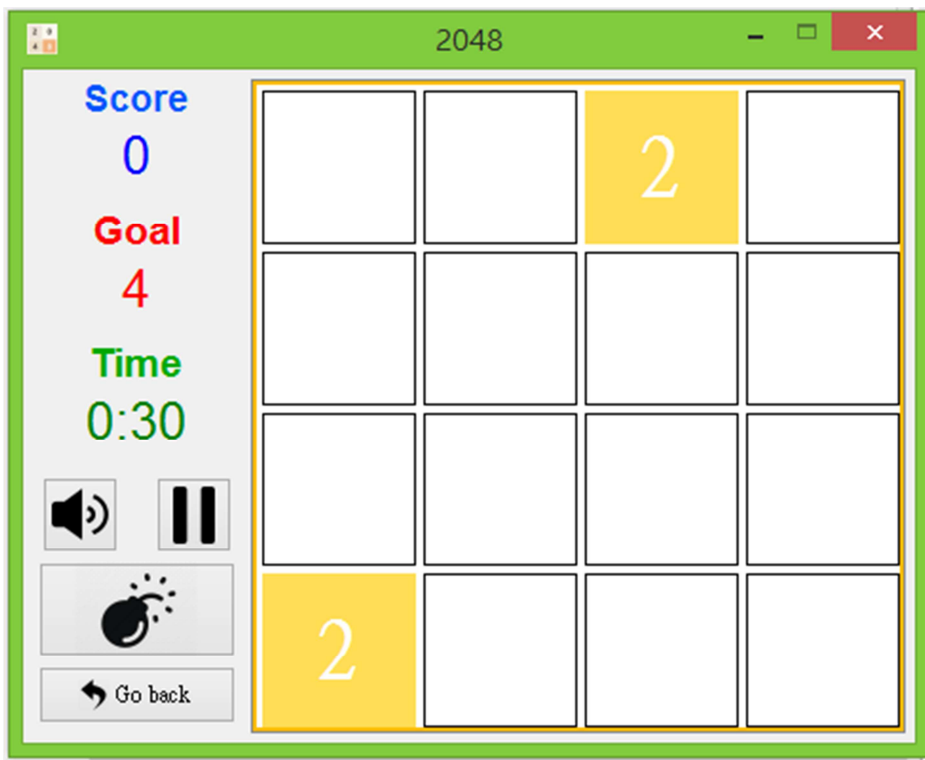

Time limits mode(This mode is inactive by default):If you want to play the game with time restriction, you can check the checkbox **“Time limits”** to play with the mode.

When you finish the settings, click “**Ok**” to save the settings. If you do not want to save the settings, just click “**Cancel**” or “**X**”.

Now you can click “**Game Start!**” to start your game!

After clicking “**Game Start!**”
In the Menu, the game
window would appear.

Display the score.
Once two tiles of the same value
combine together, the score value
would increase.

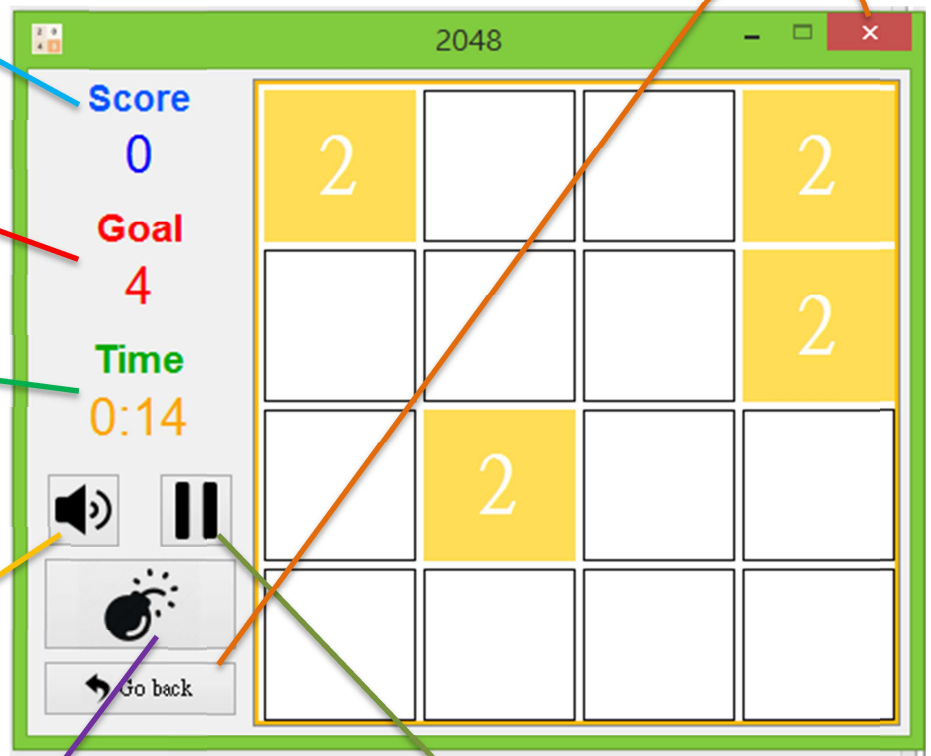

Display the goal.
You can change the goal value
in “**Settings**” in the Menu
window.

Stopwatch:
If you have checked the
checkbox in the Settings
window, then this would be
active. When time is up, then
the game is over.

Mute:
If you do not want to listen the
Background music, you can
click this button to turn it off.

???:
I think you can judge what the
button is by its icon.....XD

Click “**Go back**” or “**X**” to
return to the Menu window.

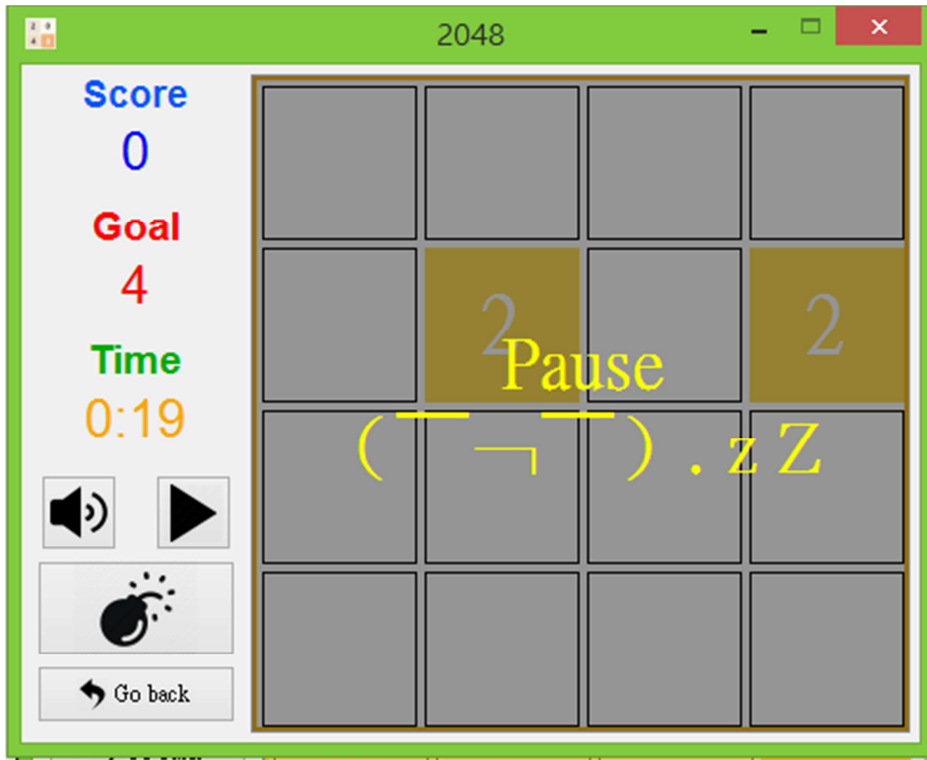

Pause:
Click to pause the game. The background music
would also be paused. If you are in time limits
mode, the stopwatch would also be pause.
